Grand Lodge Levels Cornerstone

On Saturday May 1, 2010 Unity Lodge #1242 opened a Representation of the Grand Lodge of Texas for the purpose of leveling a Cornerstone.

Right Worshipful Ted Hennis, Grand Chaplain of Texas acted as Grand Master. He stated the purpose of the lodge was to level the Cornerstone of the Warren Chisum Welding and Safety Building at Frank Phillips College.

The Brethren were transported to the College Campus by the Frank Phillips College Activities Bus.

The ceremonies were conducted in the new welding shop and were attended by several members of the College Staff. A total of 10 Lodges were represented. The brethren were treated with refreshments after the leveling ceremonies.

Following the ceremonies at Frank Phillips College, a number of the Brethren traveled to Pampa where the Grand Lodge of Texas leveled the cornerstone of the new Pampa Middle School. It was a great day for Masonry in the Texas Panhandle.

UNITY LODGE FISH FRY

On Saturday June 5, 2010, a fish fry fund raiser was held at Unity Lodge #1242.

The Brethren sold tickets for \$6.00 each in an effort to raise money to purchase new tables for the dining room and for the general fund.

The Brethren worked hard and we sold over 500 tickets to individuals and local business people.

Brother Tim Youngblood of the Stockyard Café in Amarillo provided the fish and did the cooking.

A special thanks goes out to wives who gave up their Saturday to man the serving lines and work in the kitchen.

Thanks to the hard work of the Brethren, we achieved our goal and were able to purchase 12 new round dining tables for the dining room.

We are looking forward to possibly having another fish fry in 2011.
